

IDEAS Institute is an approved training organisation that provides skilled tutors for Safe Pass training

THINK SAFETY FIRST

Here at IDEAS our SOLAS Safe Pass Training course is designed to raise and maintain a high standard of on-site health & safety awareness and to qualify all workers to gain access to construction sites.

Safe Pass is a one day awareness training programme for construction workers aimed at reducing onsite accidents. Successful applicants will receive SOLAS certification and Safe Pass card.

SOLAS SAFE PASS COURSE CONTENT:

- Health & Safety Legislation & Construction Regulations
- Duties of Employers & Employees
- Accident reporting & prevention
- Working at Heights
- Personal Protective Equipment
- Safe Use of Hand Held Portable Equipment
- Noise & Vibration
- Manual Handling
- Working near excavations
- Working with electricity, overhead & underground services

Our trainers are highly experienced instructors. We can offer Safe Pass at a very competitive rate of €150.
